School Status Info During Inclement Weather

Information about school status during **inclement weather, snow closures and power outages are an annual occurrence in Langley School District**. So, where do you go to get information about the status of schools during periods of inclement weather?

If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on:

- **On the District and School websites**
(See alert announcing the effected schools displayed at the top of the district website)
- **On Facebook, X (formerly twitter) and Instagram**
- **On media outlets such as CKNW 980AM, News1130, 170.1FM Country, CBC Radio 690AM, Pulse Radio 107.7 or 88.1FM**

If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30 am. **As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances.** If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

In the event of inclement weather, please do not call the school. During a power outage we are reduced to one landline. We need to this line free for emergencies. Also, the office is not able to answer so many phone calls.

Thank you for your cooperation - Uplands Office Staff.
