Family Fridge Memo Nov 22, 2024

Hello Uplands Families,

The teaching staff at Uplands look forward to hosting both parents and students next week at the Student Inclusive Conferences. This is a time for each student to share and demonstrate their learning; and for students, parents and teachers to set collaborative goals to further each student's progress and growth. The expectation is that every child and parent have the opportunity to have a Student Inclusive Conference. If you don't have a conference time yet, please reach out to your child's classroom teacher to request of mutually suitable time. Thank-you and have a great weekend.

Ryan Neufeld,
Principal - Uplands Elementary School

From the District

Communicating Student Learning (CSL)

Learning is a journey for all students that requires the support of teachers, staff, and families. Parent/guardian involvement is always a contributing factor to a student's success. But how does a parent/guardian know how their child is doing? The District is sharing information about the different ways of **Communicating Student Learning (CSL)** to help support families. On this webpage you will find information about student inclusive conferences, proficiency scales, and self-reflection on the core competencies. These resources are aimed to help support your child. Read more **here**.

Uplands Holiday Giving Trees

What is a Giving Tree?

The idea of the Giving Tree is to provide some much-needed Holiday cheer to three Uplands families.

There will be three decorated Christmas trees in the halls with gift requests from the families hanging from the branches.

How does it work?

1. Uplands families can come into the school starting Nov 25th and pick a gift tag or two from the tree.
2. Families will go out and purchase the gift item requested on the tag.
3. Wrap the gift at home.
4. Bring the gift back to the school wrapped with the gift tag attached (so the organizers know what the gift is)

The deadline to bring wrapped gifts back is Dec 19 at 9am.

With your generosity we can give 3 Uplands families the helping hand they need during the Holiday Season! – Thank you

A screenshot of the MyEducationBC web application. The interface is divided into several sections. At the top, there are navigation tabs: 'Pages', 'Family', 'Assessments', 'Groups', and 'Calendar'. The 'Family' tab is selected. Below this, there is a 'Students' section with a search bar and a list of students. The 'Documents' side tab is highlighted in red. In the main content area, a table lists documents. One document is selected, and a 'Download' button (represented by a floppy disk icon) is highlighted with a red box. The table has columns for 'Name', 'Type', 'Document', and 'Parent'.

School Status Info During Inclement Weather

Information about school status during **inclement weather, snow closures and power outages are an annual occurrence in Langley School District**. So, where do you go to get information about the status of schools during periods of inclement weather?

If you are able to access the internet via computer or smartphone, current information about Langley schools can be accessed on:

- **On the District and School websites**
(See alert announcing the effected schools displayed at the top of the district website)
- **On Facebook, X (formerly twitter) and Instagram**
- **On media outlets such as CKNW 980AM, News1130, 170.1FM Country, CBC Radio 690AM, Pulse Radio 107.7 or 88.1FM**

If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you.

Please note that Langley District schools are all considered 'open' until a decision to close is required. Decisions on school closures are usually made by 6:30 am. **As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances.** If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

In the event of inclement weather, please do not call the school. During a power outage we are reduced to one landline. We need to this line free for emergencies. Also, the office is not able to answer so many phone calls.

Thank you for your cooperation - Uplands Office Staff.
