## Family Fridge Memo Nov 29, 2024

### Principal's Message: Basketball Coach(es) Needed

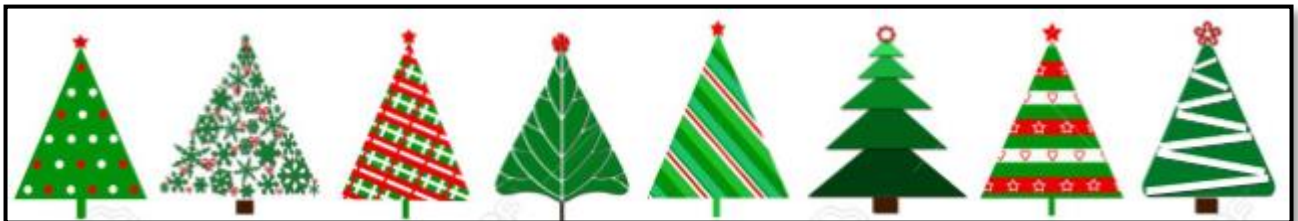

In January, Uplands will be starting up their grade 4 and 5 basketball program. In the past, we've practiced Tuesday and Thursday in the morning (from 8 to 8:45) and then had one game afterschool per week against other schools within the Langley Secondary and Aldergrove Community Secondary Family of Schools. The season runs until March.

If you are interested in volunteering as a coach to help me run this program, please contact me, Mr. Neufeld, at [ryneufeld@sd35.bc.ca](mailto:ryneufeld@sd35.bc.ca) and let me know your availability. Thank-you for your consideration.

Ryan Neufeld,  
Principal - Uplands Elementary School

## Uplands Holiday Giving Trees

### What is a Giving Tree?

The idea of the Giving Tree is to provide some much-needed Holiday cheer to three Uplands families.

There will be three decorated Christmas trees in the halls with gift requests from the families hanging from the branches.

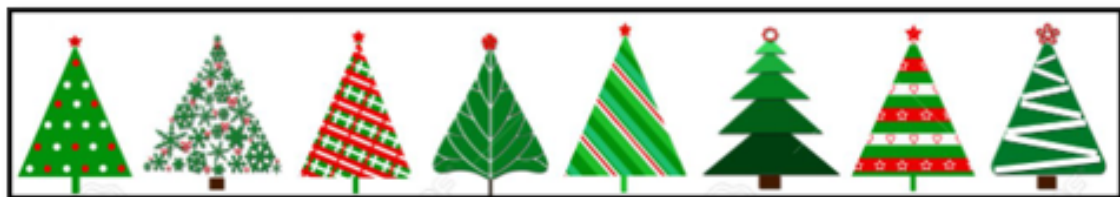

### How does it work?

1. Uplands families can come into the school starting Nov 25th and pick a gift tag or two from the tree.
2. Families will go out and purchase the gift item requested on the tag.
3. Wrap the gift at home.
4. Bring the gift back to the school wrapped with the gift tag attached (so the organizers know what the gift is)

**The deadline to bring wrapped gifts back is Dec 19 at 9am.**

With your generosity we can give 3 Uplands families the helping hand they need during the Holiday Season! – Thank you

## School Status Info During Inclement Weather

Information about school status during **inclement weather, snow closures and power outages are an annual occurrence in Langley School District**. So, where do you go to get information about the status of schools during periods of inclement weather?

**If you are able to access the internet** via computer or smartphone, current information about Langley schools can be accessed on:

- **On the District and School websites**  
(See alert announcing the effected schools displayed at the top of the district website)
- **On Facebook, X (formerly twitter) and Instagram**
- **On media outlets such as CKNW 980AM, News1130, 170.1FM Country, CBC Radio 690AM, Pulse Radio 107.7 or 88.1FM**

If you don't have internet connectivity but your phone is working, call a relative or friend in an area that has not been affected by the storm and ask them to check the district website for you.

**Please note that Langley District schools are all considered 'open' until a decision to close is required.** Decisions on school closures are usually made by 6:30 am. **As always, it is a parent's decision whether to send their child to school based on safety and individual circumstances.** If you feel it is unsafe for you or your child to travel to or attend an open school for any reason, please keep your child home and report an absence to the school.

***In the event of inclement weather, please do not call the school. During a power outage we are reduced to one landline. We need to this line free for emergencies. Also, the office is not able to answer so many phone calls.***

***Thank you for your cooperation - Uplands Office Staff.***
